DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on 12/9/03 has been entered.

Election/Restrictions

2. Newly submitted claim 12 is directed to an invention that is independent or distinct from the invention originally claimed for the following reasons: claim 12 is directed to a driving method of an AC type plasma display panel having first and second electrodes to form surface discharge gaps for rows of a matrix display by arranging terminals for supplying electricity to the first and the second display electrodes at one side of a display screen, which is distinct from the invention originally claimed for driving a plasma display panel with addressing signals and a row selection voltage that is lower than a discharge starting voltage of the interelectrode.

Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, claim 12 is withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03.

Conclusion

3. This application is in condition for allowance except for the following formal matters:

Newly submitted claim 12 is directed to an invention that is independent or distinct from the invention originally claimed for the reasons stated above.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
